

Merry Christmas
and a
Windy Happy New
Year!

Dear Meltemians, dear Friends,

This time of the year has come again, winter is here! Hope all of you are also enjoying those colder days till next summer to come.

- We, at Rodos, are busy as you can see 😊: trying to master Wing Foiling, need to be ready for next season! Everybody will be able to discover it next summer at Meltemi! A full step by step learning program is waiting for you, and we have boards, foils and wings of various sizes, partially already received just now.
- For cycling enthusiasts, Anemos is offering a storage facility, and a work shop for everyone who wish to bring their bicycles, or rent a bike locally.
- Surf Storage will be optimized for foiling material, & an air compressor will be at your disposal as well, so less time to inflate your kites or wings and more time on the water!
- We are introducing seasonal rates at Anemos for April - June and Sept- Nov; July & August remain unchanged.
- More details on our updated Web Page at www.anemos-rhodes.com.
- As you know already, feel free to contact us for any queries you might have.

Last but not least, we want to thank each one of you for supporting us all those years, during the good times, and the less good ones.

With those words, we wish you a Merry Christmas and a wonderful New Year! Stay healthy, happy and think positive!!!

Hang loose
