

Newsletter November 2022

Dear Guests and Friends,

Summer 2022 is almost gone! Though we still enjoy some very nice, sunny and warm days here on Rhodes, winds have dropped, and preparations for 2023 are in full swing.

Reviewing the season, we can summarize that we had very good winds in May to July, and in September and October, however August was a bit below expectations.

Further, noticeable, a lot of us were starting to get into new elements of our beloved water sports, be it kiting, winging, or foiling on whatever device. The surf sport seems to go through a re-invention of itself. Really refreshing ...

And nobody spoke about Covid anymore! What a great time we had.

Looking forward to 2023, coming up soon.

....

For the new season 2023 at Meltemi

Meltemi will welcome you again with new equipment; new extra boards, sails, wing gear.

But also an extra storage place for wing equipment will be at your disposal to make your winger life easier during your stay at the beach.

Sitting and relax area will be waiting for you while resting between surf sessions or just enjoying the sun at the beach...and of course for après surf beer, sometime could even be “pre-surf” beer :)

New at Anemos in 2023

We want your boards, sails, kites and wings to rest as comfortable as yourself after a demanding surf session, and therefore refurbish the whole storage yard; also, this will cater for more storage space for bulky foil sets, fully assembled with boards.

[Don't miss this video](#)

Talking about winging, in 2023 we will be equipped at Anemos with various wings and board sizes as well as various foil sets, various front wings, especially catering for beginners and advanced beginners, working on or already enjoying their first take offs, but shying away of spending thousand of bucks for equipment that you might grow out of within one seasons.

Apart from this, beach life will be as usual: BBQ's, pizza nights, roof top lounge and après surf & beer time; no need to change a winning team 😊😊😊

Rhodos Treffen 2023

And don't forget:

Rhodos Treffen 2023 is on again; after 2 years of abstinence, we meet in good old tradition in Waidring from January 26th to 29th, 2023.

Highlights not be missed:

- Thursday Night: Warming Up at Zadinis / Schindlhof
- Friday Night: Getting Ready at Pizzeria Alte Schmiede
- Saturday Night: Give It All at Grenzstadl
- Sunday: If you still have energy: go skiing 😊

Sigi will circulate an email with more details closer to the event. From our side already now: many thanks to Sigi and Luis for organizing this signature event once again.

We like to thank you for sharing memorable days and surf sessions with us.

Get well through the winter, and don't break your legs whilst skiing; we want to see you in one piece in 2023!

Hang Loose,

Martin
